### Paint Spray System

Item No.: 4260020

Ident No.: 11016

Bar Code: 4006825614596

The electric paint spray system TC-SY 700 S is a semi-stationary system for medium-size to large work surfaces and is adapted for lacquers, glazes and interior wall paints. The paint flow regulation as well as the adjustable air cap for vertical, horizontal and round jet enable exact and flexible adaptation to every application. The removable spray head makes the change of paint as well as the cleaning of all elements which come into contact with the paint to child's play. The shoulder strap and a 3.5 meter air hose provide great mobility. Included are two nozzles for different viscosities, a purification brush, a purification needle, a 1000 ml paint container with an apposite lid and a container for examination of viscosity.
